

**2-(2-Hexyloxy)ethanol
(CAS-NR.: 112-59-4)**

Mutagenicity:

No data available. According to the EC classification criteria there is no classification possible (M: -).

Carcinogenicity:

No data available. Therefore according to the EC classification criteria there is no classification possible (C: -).

Reproductive Toxicity/Fertility:

No data available. Therefore according to the EC classification criteria there is no classification possible (R_F: -).

Reproductive Toxicity/Development:

No data available. Therefore according to the EC classification criteria there is no classification possible (R_E: -).
