Dear Sir or Madam, colleagues,

The German Committee for Biological Agents (ABAS) and the Federal Ministry of Labour and Social Affairs will hold the 11th “Bio-Agent Day - the ABAS in Dialogue” in Berlin on 28 April 2020 and would like to call your attention to this event well ahead of time.

The title of the event will be “Biological agents at work – a look beyond borders”, and the Committee for Biological Agents would like to engage in a dialogue with you and other national and international experts in 2020. The event will focus on:

- International Regulations // Internationale Regelungen
- Biorisk Management and Biosafety Professional expertise // Risiko-  
management und Fachkunde bei Biostoffen
- International and national practical examples // Internationale und  
nationale Praxisbeispiele

You will soon find comprehensive information on the programme and the event's details at: [www.baua.de/Biostofftag-2020](http://www.baua.de/Biostofftag-2020)

We would be delighted to see you at the event for a joint discussion of topical issues concerning biological agents at work.
